

Joyful Noises Choir Folders 2016-17

In the past parents and choristers have found it helpful to be able to take music home to look over in the time between rehearsals. It helps with memorization and allows the choristers to better share what they are learning each week. In order to facilitate this, keep track of our music, and take the best possible care of it, each chorister will be assigned a choir folder and instructed not to take any music out of it. If you would like your child/youth to be allowed to take their music folder home and to accept the responsibility for bringing it back to choir each week and returning it at the end of the year, please review this information with your child and both of you sign the form below. Only those choristers with a signed permission form will be allowed to take their folder home. We hope you all will take advantage (at least at times) of this opportunity, but know that each of you needs to decide what is best for your family.

It is difficult to put into words how excited the members of the Joyful Noises' leadership team are about this choir season with your child(ren)/youth! Thank you for giving us the opportunity to learn and praise God with them.

Journeying with you,
Stephanie

_____ (Name of child) has my permission to bring home their choir folder. I understand that we are responsible for bringing the folder and music to rehearsal each week and returning them at the end of the choir year.
